Project Recap

Social Buzz is a fast growing technology unicorn that need to adapt quickly to it's global scale. Accenture has begun a 3 month POC focusing on these tasks:

- An audit of Social Buzz's big data practice
- Recommendations for a successful IPO
- Analysis to find Social Buzz's top 5 most popular categories of content

Problem

- Over 100.000 posts per day
- 36.500.000 pieces of contents per year
- But how to capitalize on it when there is so much
- Analysis to find Social Buzz's top 5 most popular categories of content

Summary

ANALYSIS

Animals and science are the two most popular categories of content, showing that people enjoy “real-life” and “factual” content the most.

INSIGHT

Food is a common theme with the top 5 categories with “Healthy Eating” raking the highest. This may give an indication to the audience within your user base. You could see this insight to create a campaign and work with healthy eating brands to boost user engagement.

NEXT STEPS

This ad-hoc analysis is insightful, but it’s time to take this analysis into large scale production for real-time understanding of your business. We can show you how to do this

Thank you!
